CLIMATE CHANGE UPDATE

The date for the Sustainable Stapleford Event was pencilled in for 31 July 2021. It was obviously subject to prevailing guidance on social gatherings but it was hoped that a display of electric vehicles could be put on the Town Square with other exhibits in the Carnegie. Potentially it could be held as an online event too.

Work looking into grant funding was still ongoing and the new carbon footprint calculation work would soon commence.

The Chair closed the meeting at 7:18pm.
